Remarks

Rarely does a home in the city of Detroit deliver such custom, spacious, and high-end finishes at this price. Your guests will be talking about it for weeks! This is a gorgeous brick bungalow tucked on a corner lot in Detroit's Miller Grove neighborhood, directly across from Hope Playfield Park. With \$100K+ invested in a complete 2025 remodel, new plumbing, electrical, mechanicals, central air and custom finishes throughout, this 3 bed, 3 full bath home is the kind of property you won't find twice. On the main level you'll find beautifully maintained hardwood floors flowing throughout, two spacious bedrooms and a full bath just steps from a kitchen that's nothing short of phenomenal: an oversized island with a built-in gas range, designer corbels, and granite counters opens seamlessly into the dining room, finished with a crystal chandelier and French door access to the screened-in sun porch. Appliances stay with the home! Upstairs, your custom-built primary retreat awaits...a true sanctuary featuring a jetted soaking tub on a tiled platform beneath vaulted ceilings, plus an oversized glass shower with a built-in bench. A space made with intention, designed for rest. The finished basement is just as impressive: a spa-style bathroom with dual shower heads and a separate freestanding soaking
